### **§ 76.789 What are an SEA's responsibilities under this subpart?**

(a) *Information.* Upon receiving notice under § 76.788(a) of the date a charter school LEA is scheduled to open or significantly expand its enrollment, an SEA must provide the charter school LEA with timely and meaningful information about each covered program in which the charter school LEA may be eligible to participate, including notice of any upcoming competitions under the program.

(b) *Allocation of Funds.* (1) An SEA must allocate funds under a covered program in accordance with this subpart to any charter school LEA that—

(i) Opens for the first time or significantly expands its enrollment during an academic year for which the State awards funds by formula or through a competition under the program;

(ii) In accordance with § 76.791(a), establishes its eligibility and complies with all applicable program requirements; and

(iii) Meets the requirements of § 76.788(a).

(2) In order to meet the requirements of this subpart, an SEA may allocate funds to, or reserve funds for, an eligible charter school LEA based on reasonable estimates of projected enrollment at the charter school LEA.

(3)(i) The failure of an eligible charter school LEA or its authorized public chartering agency to provide notice to its SEA in accordance with § 76.788(a) relieves the SEA of any obligation to allocate funds to the charter school within five months.

(ii) Except as provided in § 76.792(c), an SEA that receives less than 120 days' actual notice of the date an eligible charter school LEA is scheduled to open or significantly expand its enrollment must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under

### **ALLOCATION OF FUNDS BY STATE EDUCATIONAL AGENCIES**

### **§ 76.791 On what basis does an SEA determine whether a charter school LEA that opens or significantly expands its enrollment is eligible to receive funds under a covered program?**

(a) For purposes of this subpart, an SEA must determine whether a charter school LEA is eligible to receive funds under a covered program based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA opens or significantly expands its enrollment.

(b) For the year the charter school LEA opens or significantly expands its enrollment, the eligibility determination may not be based on enrollment or eligibility data from a prior year, even if the SEA makes eligibility determinations for other LEAs under the program based on enrollment or eligibility data from a prior year.

(Authority: 20 U.S.C. 8065a)

### **§ 76.792 How does an SEA allocate funds to eligible charter school LEAs under a covered program in which the SEA awards subgrants on a formula basis?**

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

(b) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1 but before February 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives at least a *pro rata* portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program. The *pro rata* amount must be based on the number of months or days during the academic year the charter school LEA will participate in the program as compared to the total number of months or days in the academic year.

(c) For each eligible charter school LEA that opens or significantly expands its enrollment on or after February 1 of an academic year, the SEA may implement procedures to provide the charter school LEA with a *pro rata* portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

(Authority: 20 U.S.C. 8065a)

(b)(1) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1, but before February 1 of an academic year, the SEA must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(2) The SEA may provide funds to the charter school LEA from the SEA's allocation under the program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allo-

(Authority: 20 U.S.C. 8065a)

**§ 76.794 How does an SEA allocate funds to charter school LEAs under a covered program in which the SEA awards subgrants on a discretionary basis?**

(a) *Competitive programs.* (1) For covered programs in which the SEA awards subgrants on a competitive basis, the SEA must provide each eligible charter school LEA in the State that is scheduled to open on or before the closing date of any competition under the program a full and fair opportunity to apply to participate in the program.

(2) An SEA is not required to delay the competitive process in order to allow a charter school LEA that has not yet opened or significantly expanded its enrollment to compete for funds under a covered program.

(b) *Noncompetitive discretionary programs.* The requirements in this subpart do not apply to discretionary programs or portions of programs under which the SEA does not award subgrants through a competition.

(Authority: 20 U.S.C. 8065a)

**§ 76.796 What are the consequences of an SEA allocating more or fewer funds to a charter school LEA under a covered program than the amount for which the charter school LEA is eligible when the charter school LEA actually opens or significantly expands its enrollment?**

(a) An SEA that allocates more or fewer funds to a charter school LEA than the amount for which the charter school LEA is eligible, based on actual enrollment or eligibility data when the charter school LEA opens or significantly expands its enrollment, must make appropriate adjustments to the amount of funds allocated to the charter school LEA as well as to other LEAs under the applicable program.
